

My Best Friend

By: Harrison Szeto

My best friend is Tyler. We have many things in common. We both love playing soccer and we are on the same team. After each game, we high-five and tackle each other. Tyler gives me advice on my play. We always have play days and we both love pokemon cards. We both like silly books and seaweed. We share many characteristics.

Tyler is always by my side. Whenever we have rough patches, we just glide over them. He stands up for me and lends me a helping hand when I'm in trouble. We are honest to each other. I can just go up to him and admit anything. None of my other friends are as supportive as Tyler. I'm delighted to have Tyler as my best friend.
