

## **What Would Happen If You Could Become Invisible Whenever You Wanted To?**

By Edward Chen

Age 7

If I could be invisible whenever I want to, I'd be invisible everyday! I would scare everyone by making scary noises. The cool part is that no one would know it is me. One night, I saw a shooting star and made my wish: to become invisible whenever I wanted!

One time at school, my teacher caught me. She knew I was about to become invisible. She sent me to the principal's office. The principal offered me a drink. It was the middle of summer and I was very thirsty. Once I felt the cool liquid touch my lips, I felt funny. The world was spinning and I fell on a cushion that the principal had laid out. He told me that I just drank a potion that would make me stop being invisible.

After that, I wasn't able to play jokes on anyone anymore. It was boring again. Being invisible was really fun, and I miss it.
